

Assam Tourism Development Corporation Ltd., Guwahati, Assam, a Government of Assam Undertaking invites Expression of Interest for detail planning and design of an Eco-Tourism Resort at Kaziranga, Assam..

BACKGROUND:

Kaziranga National Park , A world Heritage Site is a title of a remarkable success story of conservation of the One horned India Rhinoceros and other wild lives in the North East India. It is not the only largest homeland of the Great Indian One Horned Rhinoceros, but also a hub of Bio-Diversity.

It is one of the significant natural habitats for in situ conservation of biological biodiversity of universal value. The values and criteria made Kaziranga National Park to get inscribed in the World Heritage Site List 1985.

ABOUT KAZIRANGA NATIONAL PARK :

The Kaziranga National Park area consists of 429.93 Sq.Km. with an additional area of 429.40 Sq.Km. and situated in the two districts of Assam, namely Golaghat and Nagaon. The total area of the park within Nagaon district is 175 Sq.Km., out of which 135 Sq.Km. falls under Bagori Forest Range office and 40 Sq.Km. falls within Ghorakati Forest Range office.

A few centuries ago, the Indian one horned Rhinoceros ranged across the north Indian plains in the wetlands of the rivers Indus, Ganga, and Brahmaputra. Today this survivor from the prehistoric times is found only in pockets in the northeastern state of Assam and in Nepal. In Assam, their Rhino habitat is limited to just two national parks - Kaziranga NP and Manas NP.

The selection of the place has been done mainly to cater to the needs of the tourists visiting the park all round the year. The park has an international reputation and the project will help promote the tourism in Assam.
